24-80128-CIV

At this time I would like to inform the courts I have signed up for electronic notifications. I am sorry it took some time for me to do this and I hope it has not messed up me getting justice in these courts.

Also I would like to inform everyone I think I made a mistake on my amended complaint seeking \$1.00. I believe the financial compensation is more than \$1.00 that I am entitled to.

The defendants must be brought to justice and I must be compensated more than \$1.00 for the defendants actions. If the courts could appoint someone to help me with this extra ordinary case of retaliation I would appreciate it greatly and wouldn't make silly mistakes like this.
